

# "Caeneus & Poseidon"

*Caeneus & Poseidon*

Bridgette Dutta Portman

[Dragon Productions Theatre Company](#)

Nicky Martinez and Sharon Shao

Dragon Productions Theatre Company boldly offers a world premiere of *Caeneus & Poseidon* by Bridgette Dutta Portman, demonstrating that acknowledging incorrect gender assignments at birth are not just some recent fad, as the ault-right might want us to believe. While kudos goes to Dragon for staging this premiere putting a transgender man's journey into the spotlight to find and prove himself, the production itself is unfortunately still quite rough in many spots -- from script to acting to production values.
